Data transfers have the following limitations:

- Customers can transfer up to 3GB of data per month..
- Data can be transferred on more than one occasion and to more than one customer, up to the limit of 3GB per month.
- All data transfers are FREE of charge.
- Data transferred from the donor customers plan will expire on the current expiry date of the purchased plan. Extending the expiry date is not possible with data transfers.
- Unused data cannot be rolled over at the end of the expiry date.
- On a data transfer, the data sender (Party A) will receive an SMS confirmation once the transfer is completed.
- The data receiver (Party B) will also receive an SMS confirmation once the transfer is complete.

- Data transfers are only possible between Lycamobile customers with activated SIM cards.

4. DATA ROLLOVER:

Lycamobile customers with purchased and valid plans can roll over unused data to the next month at the end of their expiry date. Data rollover is not automatic and should be requested by the customer prior to the expiry date. To roll over data dial *135# and follow the instructions.

The following plans are compatible with data rollover:

Name	Price R	Service code
